Ofício nº691/2023

Caririáçu, 14 de abril de 2023.

A:

Superintendência de Obras Hidráulicas (SOHIDRA)
Fortaleza-CE

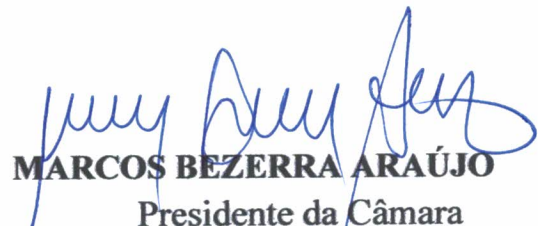

Prezado(a) Senhor(a),

Após cumprimentar cordialmente Vossa Senhoria em atendimento ao Vereador **José Elanio Soares da Silva (Fernando Soares)**, solicitar atenção especial no sentido de **construir poços profundos para atender com maior abrangência o abastecimento das comunidades dos Sítios: Cruz, Serra Branca, Olho D'água Grande, Sussuarana, Barra da Lage, Candeias, Umburanas, Bom Sucesso e Riacho Seco do Meio.**

Trata-se de localidades escassas de fontes abastecedoras onde as famílias vivem o drama da falta d'água para consumo humano.

Certos da especial atenção e pronto atendimento, desde já agradecemos.
